Nothing bad. I told Joe I was going to send them so we are all on the same page.

You are so appreciated

I asked because I was not there and seemed high.

I am not usually involved because Molly is so good

No no I just wanted to update everyone. I'm hoping I will be able to submit for free cash next week. The auditors will be there all day Monday and Tuesday.

Molly is awesome! But you should still be looped in!

I think I have been so depressed that I have backed away too much.

I have ptsd from what Jeanne did to me

And now tabitha

Joan Blake just put out there that Connie had spoken to you about an hourly rate. Is that correct

And how you would know this

[Wendy Rose Cochrane](#) She never said she would only be working 1 hour a week. She also is not going to collect the full stipend. She asked the TA to please figure out what the hourly wage would come to and she asked if she could only be paid that hourly wage for the hours she is actually in town hall. Not even for the hours working remotely.

That's the first I heard Of that. You who wanted certified people. And someone that did not have multiple jobs. Hypocritical at its best
