Hi

JAN 28 AT 4:08 PM

Hello

I have gotten a lot of phone calls about selectboard.

Just an fyi and keeping my word if I heard anything I would tell you

JAN 28 AT 5:14 PM

Thanks for the heads up Wendy!! Unfortunately, I care very much about accuracy. I'm not a member and a board of selectmen was originally created

Thanks for the heads up Wendy!! Unfortunately, I care very much about accuracy. I'm not a man and a board of selectmen was originally created for men. I'll be sure to use selectmen on the legal documents but on everything else I'll be using Selectboard. I'd love for you to have all those that called you reach out and share their opinions with me directly or I see them as just starting gossip and not really caring about town issues. Quite superficial in my opinion.

Ok.

This is my own thought and no one asked me to ask you.

No one in the building is a fan of Matt and his performance.

Would you be able to see through the friendship

People including me have said I guess we are stuck with him

When Kevin was there moral was great. He has killed it

FEB 04 AT 8:33 PM

Hi Wendy!

Busy day today! Here are my thoughts.

1. I don't really know Matt. Celebrations committee has been the first time I've really interacted with him and he was great help.
2. I've been managing people for more than 20 years. Supervision

1. I don't really know Matt. Celebrations committee has been the first time I've really interacted with him and he was great help.

2. I've been managing people for more than 20 years. Supervision of staff is not done via emotions, it is done with professional development, setting goals and regular feedback. None of our town administrators in the last five years have been at town hall very long. There seems to be a revolving door not only in this position but in many others at town hall. I plan to find out why.

3. Anyone who has spoken Matt's name in my earshot has only nice things to say about him. I'd be curious as to who in town hall doesn't like him but I would not want you to share this as it is not appropriate for you to share names considering your positions in town hall.

Thank you for the answer.. I agree he is a nice person. However, For the money we pay.. we will never get anyone that is truly qualified. I can share with you why without using any names.. One left because of a harrassment charge .. from a person in COA, One left because of involvement in a police issue, one left because of the money and the fact that all we do is fight neighborhood disputes and did not have enough time to work on more pressing issues.. The interim was only to help out. Town clerk left because of a problem with her family, as far as I know no one else has left except the Town Accountant and she was with the police issues. but chose to retire. Clerks all leave because they were making 15.00 an hour.. 3 Assessors have been there for more than 20 years. WHen people see the amount of work they have to do for the money + make is is sickening.

It is not only Town Hall.. It is about Highway.. no one stays there.. Police and fire have a constant rotation and unlike you .. Teachers are moving along making more money also..

I asked a simple question, Why Tabitha who is on the pay roll from 8-4 with VA would be on our roof putting lights on, If she fell who would pay the workmans comp? and now I am being blamed for asking something that will protect the Town.

She has 5 dogs,, no licenses.. An illegal in law apartment, running a business from her house and has no permission for any.. But I am wrong?

So much for confidentiality

You sent screen shots to tabitha and matt

I had already told Joe I sent that to see if it was really confidential

Days ago

FEB 06 AT 7:43 PM

Thought all messages are confidential

FEB 07 AT 10:41 AM

Hi Wendy

To start I want you to know I'm responding here as others help manage my Facebook page and can see my responses there. Second, I'm not always able to respond quickly especially to comments that require a thoughtful or an in depth response

I would like to say I'm sorry you believe that I sent out screen shots and broke confidentiality. When someone is presenting me with Information as a 3rd party about another person I always do my due diligence and look for facts. I would be considered "just another gossip" if I believed what I was told without ever going directly to the person to know the situation better. As for sending me information for the express purpose of "seeing if it remained confidential." I am sorry you felt you needed to test me but I will always be open/honest/and collect facts before I make my own impressions of a situation in order to ensure I am handling a situation correctly. Thank you for brining things to my attention so I could do a deeper dive. Always happy to talk more about your concerns and will continue to do my best to understand all the facts.

Matt just told
Me you sent the screen shot
to him

I find that was very dishonest.

I respected you and would have
defended you to a fault. But
what did you hope to gain by
doing that

I promised I would not let
George if he ran to say anything
against you. That I would defend
it to a fault

I feel so betrayed

FEB 07 AT 11:38 AM

Thankfully he and I had the
conversation in person prior to
me asking you

I know that's not true Wendy
because I never sent Matt
Screenshots of what you wrote
so I'm not sure how to respond. I
think it's best I no longer respond
because what you are saying is

I know that's not true Wendy because I never sent Matt Screenshots of what you wrote so I'm not sure how to respond. I think it best I no longer respond because what you are saying is untrue. The accusations your made against Tabitha are mostly untrue too. You are an elected official and public servant in this town. Spreading untruths and making false accusations is upsetting and I will no longer engage in the conversation.

Call Matt. Your beef is with him.

Tabitha told Joe. She got the screen shots. Ask Joe.

Good Morning .. Would you like to meet to talk ?

FEB 09 AT 5:30 PM

Dif you want to talk ?

FEB 09 AT 5:46 PM

Were you a part of what tabitha did to me ?

Hi Wendy. I'm home hanging with the family. I do not know what Tabitha did to you. I work 12 hours a day, am raising two kids, spending time with my husband, volunteering in the community and working on my PhD, trying to contribute and make the world a better place. I do not have time for or make time for gossip and drama. I'd be happy to talk about the issues above but would want Matt, Tabitha, Joe and anyone else part of the accusations to be present. I do not want to gossip or listen to accusations about

Respect that. Would you come to town hall

Let me know when you are available and I will make it work

Your name was mentioned just letting you know. I didn't want to believe it

I was asked to ask you at candidate night. I don't want to do that.
